Dolce Trenta Collection

Dolce Trenta Looks

Dolce Trenta porcelain tile collection comprises 11 amazing colors in a large 30" x 30" size that satisfy any aesthetic tastes: classic marbles in polished and honed finish with super white bodies and exciting veining, which give any settings the feel of opulence; elegant stones that find their perfect application in chic metropolitan places; the neutral, industrial look of concrete, and a pure white and pure black that can be combined for an ever sleek black & white pattern or chosen singularly when minimalism is the aesthetic of choice.

Dolce Trenta allows the designer to play with stunningly beautiful patterns in a rectified large size for a cleaner-looking installation with less grout lines.
